

School Improvement Plan 2017-2018 (overview)

Area 1 (Outcomes for Pupils)

- To ensure that cohort specific targets are met
- To ensure progress of vulnerable groups is in line or exceeding that of the other pupils.

Area 2 (Teaching, Learning and Assessment)

- To ensure that teaching across the school meets the needs of all groups of pupils
- To ensure that children always use marking and feedback to improve their work
- To ensure that staff have high expectations of all pupils and challenge them accordingly

Area 3 (Personal Development, Welfare and Safety)

- To ensure all pupils are thoughtful, caring and active citizens in school and society
- To ensure safeguarding remains robust in the school
- To ensure children are well equipped for their next stage of learning
- To ensure children have high expectations towards their own learning and behaviour
- To ensure all pupils know how to keep themselves healthy, both physically and mentally

Area 4 (Leadership and Management)

- For subject leaders to identify and action priorities
- Subject Leaders use assessment information with other monitoring evidence to evaluate the quality and provision in their areas of responsibility
- To continue the impact of Governors' roles within the school

Area 5 (Early Years)

- Further develop the use of the outdoor area to support learning in all areas of development in all weathers
- To ensure that areas of learning are linked to main topic focus
- To ensure there are appropriate transition activities for Yr R & 1
