26th January 2017

Dear Parents,

Swans Homework

As from Friday 27th January, Swans class will be having some more homework set in addition to the project homework. The nature of this work will be some worksheets based on grammar, punctuation and/or maths that the children will have been working on throughout the week.

We will looking at these completed sheets as part of the work in class, so we would ask that you support us in encouraging your child to complete the homework. If they find the work difficult, please write a short note on the sheet.

We find that the CGP publication books are a handy resource to have; the KS2 English Grammar, Punctuation and Spelling book is particularly useful. If you would like to purchase a copy to keep at home for reference, we can order them at a reduced rate of £2.25, instead of the retail price of £4.95.

If you have any questions about the additional homework, please speak to myself or Mrs Bilner.

Kind regards

Mr Bassett
