Dear Parents,

Coronavirus – COVID-19

It has certainly been an interesting week with regards to the news and media coverage regarding the virus.

As a cluster of schools (Stratford St Mary, East Bergholt Primary, Capel St Mary & Bentley and Copdock) we met at the end of the week to work on a risk assessment/action plan for all our schools; both for actions now and if we are told to close later on. The Plan is very comprehensive and was agreed by us all.

We are also keeping up to date with the latest government guidance.

I would be very grateful if you could read the literature contained in the link below.

DFE - [Stay at Home Guidance](#) and follow the guidance.

We will of course keep you updated, however, if you require any further information, please do not hesitate to speak with myself or with one of the teachers.

Mrs Bilner
