Community Covid Risk	Description	Actions
 <p><b>Low Community Transmission. No School Cases.</b></p>	<ul style="list-style-type: none"> <li>• There have been no cases of Covid within school for 10 school days.</li> <li>• Cases of Covid locally are low and/ or stable.</li> <li>• Hospitalisation/ Deaths due to Covid nationally are low.</li> </ul>	<p>No Covid measures are necessary beyond:</p> <ul style="list-style-type: none"> <li>• Reminding children of good hand-hygiene.</li> <li>• Ensuring good ventilation encouraged where practical.</li> <li>• Ensuring Children / Staff stay at home if they have Covid Symptoms (and to book a PCR test).</li> </ul> <p>Staff will continue to test themselves using Lateral flow tests until the end of September.</p>
 <p><b>Rapidly Rising Community Transmission</b></p>	<ul style="list-style-type: none"> <li>• No current Covid cases have been recorded at school, but...</li> <li>• Cases of Covid are rising rapidly in the community causing disruption to other local schools.</li> <li>• Suffolk LA / Public Health England issue warnings of expected local/ national infection wave.</li> </ul>	<ul style="list-style-type: none"> <li>• Ventilation of classrooms increased &amp; hand-washing supervised.</li> <li>• Large indoor public performance audience numbers reduced.</li> <li>• Staff-room capacity is reduced.</li> <li>• Whole-school assemblies are reviewed and may revert to virtual.</li> <li>• Clinically Vulnerable staff meet with Line-Managers to review their individual risk assessment &amp; discuss additional protection (e.g. use of face coverings, reduction in movement between classes/ groups).</li> </ul>

Number of Cases:	Description:	Actions:
 <p><b>A single child tests Positive</b></p>	<ul style="list-style-type: none"> <li>• A single child tests positive for Covid in a class.</li> <li>• There are fewer than 5 cases in the class group.</li> <li>• No other year groups are affected.</li> </ul>	<ul style="list-style-type: none"> <li>• The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it as outlined here.</li> <li>• The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts.</li> <li>• Likely contacts will be contacted by NHS Track &amp; Trace and advised to book a PCR Test. The school will contact parents to advise this if close contacts are known.</li> <li>• <b>Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.</b></li> </ul>
 <p><b>5 children or staff* who are likely to have mixed closely within school test positive within 10 days of each other.</b></p> <p><b><u>OR</u></b></p> <p><b>3 children or staff* in a single Class / Club within 10 days.</b></p>	<ul style="list-style-type: none"> <li>• There have been 5 cases of Covid across school within 10 days which could mean that Covid is spreading within our school.</li> </ul>	<ul style="list-style-type: none"> <li>• <b>As above for each positive case.</b></li> <li>• The school will discuss the outbreak with Suffolk Public Health and agree strengthening protective measures <u>for 10 school days</u>, including: <ul style="list-style-type: none"> <li>○ Re-introducing staff face masks for corridors &amp; communal areas.</li> <li>○ Adapting, Limiting or postponing indoor sporting events, trips, open days and performances.</li> <li>○ Reverting to video-link Assemblies in classrooms.</li> <li>○ Reducing the amount of classes staff work across.</li> <li>○ Resuming twice-weekly Staff Lateral flow testing.</li> </ul> </li> </ul> <p><b>DfE helpline (0800 046 8687, option 1)</b></p>
 <p><b>Covid cases continue to increase rapidly within a 10 day period.</b></p>	<ul style="list-style-type: none"> <li>• Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school.</li> </ul>	<ul style="list-style-type: none"> <li>• Incident Management Team meeting held between the school and LA / Public Health to agree further measures, <u>for a further 10 school days</u>, including: <ul style="list-style-type: none"> <li>○ Re-introducing class bubbles.</li> <li>○ Reverting to class-based school lunches.</li> <li>○ Limiting all non-essential visitors to school.</li> <li>○ Postponing all non-essential events.</li> </ul> </li> </ul>

- |  |
|--|
| <ul style="list-style-type: none"><li>○ Re-introducing remote learning for individual classes for 10 school days considered, as outlined here.</li></ul> |
|--|

**The school will inform parents of any changes to Covid measures should these be needed.**

**For all cases relating to staff**, please also see the guidance for workplaces: [NHS Test and Trace in the workplace](#)

Employers should call the Self-Isolation Service Hub on 020 3743 6715 as soon as they are made aware that any of their workers have tested positive. If cases amongst staff mean a setting meets the threshold, described above, employers will need to provide the 8-digit NHS Test and Trace Account ID (sometimes referred to as a CTAS number) of the person who tested positive, alongside the names of co-workers identified as close contacts. This will ensure that all workplace contacts are registered with NHS Test and Trace and can receive the necessary public health advice, including the support available to help people to self-isolate. Further guidance is available [here](#)
