National Curriculum Links

Year 1

*Pupils should be able to engage in creating, copying and mastering simple movement patterns. Pupils should be given the chance to create routines within solo and group environments to show and develop solo, linked, traversal and transitional dance skills.*

Questions to Consider...

*What other sports can you show these relatable skills in?*

*How could creating routines in dance inspire you to be creative in other aspects of life?*

*What would you like more of when learning dance?*

*PE Value for the half term : Self-Motivation and Inclusion*
