

Art Sculpture

What I should already know: I have worked with a range of materials including clay, and have used these to design and make products including sculptures. I can create and form shapes from 3D materials.

Enquiry Questions

- Can I create a musical instrument from recycled materials?
- Can we decorate musical instruments from recycled materials?
- Can I create a collage in the style of an artist?
- Can I create a sculpture in the style of sculptor Sokari Douglas Camp?
- Can I create a sculpture in the style of El Anatsui?

Key Vocabulary

Composition – The placement or arrangement of visual elements in a work of art.

Contrast (art) – Very different to, or the opposite of.

Geometric pattern – A pattern formed of geometric shapes such as circles, rectangles, squares and triangles.

Optical effect – The arrangement of shapes, colours and patterns to create images that look as if they are moving or blurring.

Sketch – A quick, light drawing or painting without detail.

Upcycle – To repurpose old items or junk into something of more value. For example, a product or art work.

Wax resist – Drawing with wax and then painting over it. The areas covered in wax will not allow the paint to settle.

Art and Design Skills

Pupils will:

Making Skills

- Make art from recycled material, create sculptures, paint and create using a range of materials.

Generating Skills

- Manipulate materials to achieve desired effects.

Evaluating

- Build a more complex vocabulary when discussing their own and others' art.
- Reflect on their own work in order to make improvements.
- Use their own and others' opinion of work to identify areas for improvement.

Useful images

El Anatsui
An artist and sculptor from Ghana.

© Gift of the Alliance of the Indianapolis Museum of Art / Bridgeman Images

Giuseppe Arcimboldo
An Italian painter best known for creating imaginative portrait heads made of objects such as fruits, vegetables and flowers.

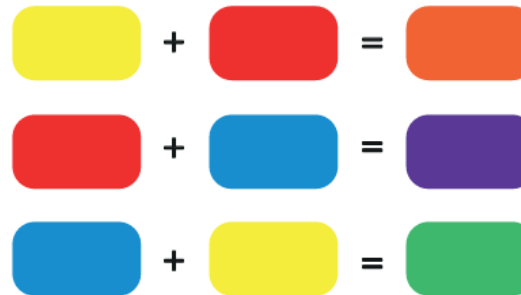

© Derek Bayes / Bridgeman Images

Sam Francis
An American painter and printmaker.
