Dear Parents

### **Race Night – Change of Date**

Please find below a message about the Race Night – the date has been changed.

*Dear all,*

***Our Race Night has a new date. It is no longer this weekend but will now be held on Saturday 10th June, 7.30pm.***

***We are really keen for this event to raise as much money as possible, so please support it by buying tickets and joining in the fun. Who knows, you could leave with more money in your pocket than you arrived with!***

***Tickets are £10 each and include a mixed ploughmans and pudding.***

***If you are not sure what a Race Night is, read on.....***

***What is a race night?***

***A race night is a fun packed lottery where you have a little flutter on the horses - the more you bet, the more you can win although more importantly the more you bet the more money we raise.***

***The action takes place on a giant screen and all the races are genuine with the horses running for real. The races have English commentary and most are shot on UK racecourses. The minimum bet is £1 but you can be as extravagant as you like. There will be some additional betting options on offer and a surprise race too making it an evening to remember.***

***Oh, and don't forget about the quiz. The winner will claim a bottle of champagne. Good luck and many thanks in advance for your support.***

***Warm regards,  
The Race Night Team***

Yours sincerely
