8th July 2016

Dear Parents/Carers,

Sports Day –Thursday 14th July

Weather permitting, we will hold sports day on the school field on Thursday 14th July starting at approximately 1.15pm.

The children will be sitting in their house groups and taking part in a number of events. Please may we ask that children wear a coloured t-shirt matched to their house group.

If you are unsure about which colour house your child/children are in, please speak to myself or one of the teachers and we can advise you.

We hope to see as many of you as possible for sports day and if you have any question, please ask.

Many thanks

Mr Bassett
